instruments

The Colour Check Cabinet was produced to answer visual colour matching needs. Used for assessing colour changes under different light sources, to determine suitability of materials for industrial applications where there is the need to maintain colour consistency and quality. Fluorescent daylight, incandescent and optional black light may be used either individually or in combination.

Benefits:

- Easy to use
- No warm up required
- No light flickers
- Low power consumption
- No heat emission
- Efficient illumination

Applications:

- Automotive
- Ceramics
- Glass
- Graphic Arts
- Leather
- Inks
- Paint
- Paper
- Plastics
- Textiles

Features:

- Bench-top operation
- Hour Meter
- Auto conversion between light sources
- Different spectrum with same colour
- D65 Lamps

Standards:

- AS 4004
- AS/NZS 1580.601.1: 1995
- ASTM D1729
- ISO 3364

Applicable Light Sources:

| Code | Details |
|------|---|
| A | American Style Shooting Light : Colour Temp. 2856K : Power 20W |
| D65 | International standard Artificial Daylight : Colour Temp. 6500K : Power 20W |
| TL84 | Applicable to Europe, Japan, China : Colour Temp. 4000K : Power 18W |
| CWF | Cool White Fluorescent : Colour Temp. 4150K : Power 20W |
| F | Comparison Referential : Colour Temp. 2700K : Power 40W |
| U30 | Warm White Fluorescent : Colour Temp. 3000K : Power 18W |
| UV | Ultraviolet light : Wavelength 365nm : Power 20W |

instruments

Model: C0048-P60+

Light Sources: 6
Suitable Lamps: D65, TL84, UV, F, CWF, TL83
Overall Size: 695 x 552 x 502mm
Voltage: 220V/110V
Weight: 19.5kg

Model: C0048-P60-6

Light Sources: 6
Suitable Lamps: D65, TL84, UV, F, CWF, TL83
Overall Size: 710*530*570mm
Voltage: 220V/110V
Weight: 35kg

Model: C0048-T60+

Light Sources: 5
Suitable Lamps: D65, TL84, UV, F, CWF
Overall Size: 695 x 552 x 502mm
Voltage: 220V/110V
Weight: 19.5KG

Model: C0048-T60-5

Light Sources: 5
Suitable Lamps: D65, TL84, UV, F, CWF, TL83
Overall Size: 710 x 405 x 570mm
Voltage: 220V/110V
Weight: 30kg

Model: C0048-T60-4

Light Sources: 4
Suitable Lamps: D65, TL84, UV, F
Overall Size: 710 x 405 x 570mm
Voltage: 220v/220V
Weight: 28kg

Model: C0048-P120

Light Sources: 6
Suitable Lamps: D65, TL84, UV, F, CWF, TL83
Overall Size: 1310 x 600 x 800mm
Voltage: 220V
Weight: 60kg

Model: C0048-CC120

Light Sources: 3
Suitable Lamps: D65, D50, U30, TL84, UV, CWF, TL83
This unit is supplied with D65, D50 & D30 lamps
Voltage: 220V/110V
